47 trailside circle, Hiram, GA 30141
Cell: 678-665-0125

EDUCATION

- Highschool diploma from Hillgrove Highschool in Powder springs, GA
- Currently enrolled at Clemson University majoring in B.A. Computer Science and minoring in Environmental science and policy
- Clemson University Dean's List Fall 2019 and Spring 2020
- 3.65 GPA

OBJECTIVE

- To obtain my first professional internship/job with the intentions of expanding my knowledge and skills in the computer science field with applicable real-world training and experience.

SKILLS

- Creative, Analytical, Quick Learner, Cooperative Team Skills, Logical thinker, Leader
- Coding experience in Java, C, C++, HTML, CSS, JavaScript
- Experienced in educating people on sustainable practices
- Experienced with Apple Products, Microsoft Office Applications, and Adobe Software

Collegiate Extracurricular Activities

- **Ecological Representative- 2019-Present**
 - A student organization that works with housing and dining to promote sustainable practices throughout the entire campus.
- **Residential Assistant- 2020- 2021**
 - A campus job that assist in the development of student wellbeing, academic development, promoting self-exploration and becoming leaders in the community.
- **Brother~2~Brother- 2019-Present**
 - A student organization that promotes the well-being of African men on campus by hosting events to bring black men together and speak about various topics that affect our lives.
- **Hack-a-thon events 2019**
 - Hack-a-thons are events that gather coders and challenge them to create a project of their choice in a period of time. Then they rank all of the projects and give out prizes based on the type of program, level of innovation, and creativity. I have been to two hack a thon events, have won prizes for best Augmented Reality creation and best Freshman hack (made a website).
- **CONNECTIONS Mentoring program – 2020- 2021**
 - CONNECTIONS is a program at Clemson that provides first year minority students a living community and a mentor. I am a mentor.

Experience

➤ Tennis Summer Camp Coach

- For two summers, 2016 and 2017, I was a summer camp tennis coach at Fair Oaks tennis center in Marietta, Georgia. I taught kids ages 7-15 how to play tennis.

➤ Truist Park Retail Associate

-

Hobbies

➤ Musician

- In my free time, I enjoy playing the piano and creating beats on the drums. I have been playing piano and drums since the summer of 2009. Also, I participated in band at school from 2012-2016 as a percussionist. From 2012-2013 I was a part of Crossroads Intermediate School's symphonic band and honor band. From 2013-2015 I was a part of Dutch Fork Middle School's band and jazz band. Furthermore, from 2015-2016, I was a part of Dutch Fork High School's symphonic brass band.

➤ Running and Weightlifting

- I enjoy running and lifting weights with friends in my free time. At Dutch Fork High School, I was a two-sport lettering athlete, and was a member of their Varsity Track and Field Program as well as the Cross-Country team from 2016-2019.

Church Leadership Activities

➤ Brookland Baptist Church Youth and Young Adult Ushers Director (2014-2019)

- I worked to ensure that each visitor was greeted with joy as they entered the sanctuary for service. In addition, I maintained order amongst the other ushers, to make sure that the service flows smoothly. I was tasked with arranging people into their positions for offering, as well as supervising activity at the door.

➤ Brookland Baptist Church Youth and Teens Day Committee Member (3/2019 – 8/2019)

- I collaborated with other high schoolers at my church to plan our annual Youth and Teens Day Church Service along with other corresponding youth and teen events. Every Tuesday, we met to discuss ideas for spiritual, fun, or athletic events that would attract the youth and teens to participate in. In addition, we also were responsible for handling registration and promotion duties.
